COMMUNITY OUTREACH (COR)

Red Cross Preparedness Presentations

We will be partnering with the American Red Cross to deliver virtual presentations on how to be prepared in the case of an emergency. To receive volunteer hours you may either attend the presentation or help present (you will receive more volunteering time for presenting). If you choose to help present, you will receive the slideshow before the presentation to indicate which parts you are responsible for.

The first Presentation is on 1/26/2021.

If you are presenting you must be there at 4:45pm; if you are attending 5:00pm. Event ends at 6:00pm for both.

You can use the QR code attached to sign up, RSVP, and to access the Microsoft Teams link!

Orientation Session for Volunteer Event with Florida Poison Control

Join the mission of Florida Poison Control Center in providing care for the Florida Community by offering information and education in topics related to poisoning prevention and control. Attend the session on **January 27th from 5:00-6:00 pm.**

Jemima Desir Dougé, MD, MBA

- Serves as the Healthcare Education Specialist at the Florida Poison Information Center - Tampa.
- Over 20 years of national and international experience.
- Fluent in English, French, and Haitian Creole.
- Strives to educate healthcare providers and students about the free services provided by the Poison Control Center 24/7- Tox. Consult: assessment, management, and treatment of a poisoned patient.

Florida Poison Control Presentations

Join us weekly to virtually deliver speeches on diverse topics on how to be prepared to avoid and deal with poisoning events that can occur from diverse sources like pesticides, household products, plants, and different animal species.

These sessions will take place weekly from **4:45pm-6:00pm**.
The first session is on **February 3rd**.

*Make sure to attend the Orientation Session on January 27th to participate.

Interested in earning community service hours?

Join the COR division in creating informative pamphlets about Medical school for a non-profit organization called Next Generation Women Empowerment.

When: January 29th from 5pm-6pm and repeats weekly

We will create 3 pamphlets about what is expected in pre-med, and 1 about scholarships. One will be for women in America, another for international students, and one about medical schools in the Caribbean and Canada.

PurpleStride

Pancreatic Cancer Walk

February 27th, 2021

Our goal is to help fundraise money for the research and prevention of pancreatic cancer! As a team, PAMSA, has a goal of \$500. On February 27th we will be participating in the virtual PurpleStride walk to show our support against pancreatic cancer.

You can sign up to participate using the QR code attached! Points will be awarded for fundraising and/or walking.

CAREER TRAINING

Gift of life

PRESENTATION

Gift of Life is a non-profit marrow registry whose goal is to find matches for blood cancer patients. They would like to introduce themselves to USF PAMSA members, educate them on marrow/stem cell registry, give some background on them and what they do, facts on blood cancers, and teach members how to join the marrow and stem cell registry.

January 28th, 2021 | 5:00-6:00 PM | on Zoom!

CHARITY

CHARITY OF THE YEAR 2020-2021

Feeding Tampa Bay is an organization with a mission to change lives one meal at a time by leading our community in the fight against hunger. Their goal is to fight the hunger that hundreds of thousands of food-insecure families in the 10-county area of West Central Florida experience. They fight not just through providing food, but with knowledge of the issue as well.

MEDICAL SCHOOL FORUM

USF PAMSA
MEDICAL SCHOOL FORUM
MARCH 20-21 & 27-28, 2021

The University of South Florida Pre-Medical American Medical Student Association welcomes you to join us for our 19th Annual Virtual Medical School Forum for a two weekend conference on March 20-21 & March 27-28, 2021.

What is MSF?

Medical School Forum is an annual event hosted by the AMSA chapter at the University of South Florida, that brings together medical school representatives and medical-related discussions to a convenient location for the attendee.

Benefits of Attending

- Meet the MD & DO School Representatives.
- Gain insight, ask questions and learn more from medical students and top physicians.
- Hear more about the medical school process and application.
- Learn the differences between MD & DO, surgical procedures, how to get involved in research, MCAT Breakdown, etc.

Event Information

SCHEDULE

- Morning & Afternoon Sessions of MD & DO Schools
- Keynote Speaker
- Afternoon Session (Workshops, Seminars, Panels)

TICKETS:

\$11

Tickets can be purchased on our website.

The first 100 people to purchase their ticket will be entered into a raffle to win a MCAT prep course.
